

Voices from the South Article Submission

Dear friend,

Thank you for your willingness to contribute to the Karibu Foundation's "Voices from the South" e-newsletter. The 2-page e-newsletter is circulated via e-mail each month, and it highlights the voices and experiences of our friends and partners throughout the Global South.

- In order to fit into our 2-page limit, we kindly ask that any potential articles be kept to a length of **750-800 words**.
- If you are using excerpts from a **longer text**, we would be happy to include a link in the newsletter to the original text. Please let us know if you would like us to place the original text on our website, or if you have a website address to where the original text can be found.
- **Be specific:** give concrete examples; name names; don't think primarily about broad concepts (peace, human rights, theology, etc.), but more about concrete alternatives or steps forward in creating a just world. We particularly appreciate articles that point to issues being ignored or neglected by those in power, voices and perspectives that need to be heard or movements and/or initiatives that use analytical insight, moral courage, and strategic clarity in their struggle to create a just world. Provide **concrete advocacy aims, alternatives, and solutions** – not just critiques.
- If possible, we would also like to include **photos** that you have taken that are relevant to the article. If you have any photos that could be presented in the newsletter, we invite you to submit digital copies in as high-resolution as possible.
- You are also invited to submit a **photo of yourself** to be included in the newsletter.
- If you are representing an organization, we invite you to send a **2-3 sentence description of the organization** that we can include in the newsletter.

Please do not hesitate to contact us if you have any further questions: tyler@karibu.no. We thank you again for your willingness to contribute to "Voices from the South".

Kind regards,
